- Each month there is a Monthly Club Shoot listed. This shoot is for all archers as there is a round suitable for a novice to the most experienced. Every club member is very much encouraged to participate.
- These monthly club shoots are also used to determine the club champions for the year and the most improved archer.
- Club Champions shall be awarded in the following categories provided there are at least 3 archers competing in each category:
 - Open Recurve – 1st, 2nd, 3rd
 - Open Compound – 1st, 2nd, 3rd
 - Longbow – 1st, 2nd, 3rd
- The monthly club shoots shall be used to accumulate points.
- Points shall be awarded to archers for scores shot depending on your rating performance against the Archery Australia Classification Tables for your respective division. The points shall be credited as the percentage achieved against your Division's GMB level. Since the points are awarded against Classification, they automatically take into account a handicap effect for Barebow divisions; for Juniors, Masters and Veterans; and for gender.
- Each year there are generally 8 or so shoots listed in the Club Calendar as Monthly Club shoots.
- The total points from an archer's top 5 Monthly Club shoots shall be accumulated to determine the club championship awards.
- The Club Recorder shall be responsible for administering the scheme.
- Subject to funds being available, trophies shall be awarded to each place getter as the Club Champions for the year.
- There may also be a Most Improved Archer award for the archers that have shown the greatest improvement over the year in any single bow type or division, ie calculated on the same bow type and division for that archer.
