Mower

Two quotes for mowers were provided for the Committee's consideration. Research on the two mower quotes by two Committee members:

1. The more expensive one seems to be more robust, recommendation is to spend the extra money to have something faster and more durable
2. Would prefer to have more information available on both models, it was difficult to find current information on both models. Keen to find more reviews on the two models

Comment will be sought from Jason who maintains our current mower for feedback on the best models on the market. We will also check on Choice for reviews.

The Committee would like to thank Andrew Armstrong for all the linemarking on the field.

Craig Glasby announced his desire to step down from the Committee for a period of time in addition to stepping down from his classification role. The Committee would like to extend our heartfelt thanks for all his efforts over many years as a stalwart club member and long term Committee member. His wise counsel and steady approach has always been appreciated.

Seconded – Andrew Armstrong

Motion – that Darren Brack is invited to fill the casual vacancy on the management committee until the next AGM

Moved – Brian Hagaman

Seconded – Nick Horley
